

## Receive at all times throughout the year

### Standard Translation

**5% off** all translation projects

### Certificates

**Free** certificates of editing, translation, and proofreading

## Use once, at any point in the year (One benefit may be used per order)

### Revised Paper and Response Letter

**10% off** editing or proofreading of a revised paper that we have worked on with you previously and your new response letter. We'll ensure that the revised sections of your manuscript are worded correctly and consistently with the previously edited text and that your responses to the reviewers' comments are clearly and appropriately worded.

### Guidelines for Authors

Only **4,000 JPY** when we help you make your manuscript conform to journal guidelines

### Cover Letter

**Free** editing or proofreading of a cover letter

### Abstract Editing/Proofreading

**10% off** editing or proofreading (up 800 Japanese characters or 400 English words)

## Our Members Rewards Program

Many of our customers are returning customers. We greatly value the opportunities to work long term with them—it helps us develop strong relationships so that we can learn their preferences and offer them the best service possible, each and every time. Our free members' reward program is our way of saying a **big thank you** to our returning customers, by offering them ways to save time and money on an ongoing basis.
